KEY CONCEPTS OF THE NATIONAL FLOOD INSURANCE PROGRAM

Cleighton Smith Engineering LLC is holding a 1 ½ day class covering key concepts of the National Flood Insurance Program (NFIP). In the afternoon of the second day, the Certified Floodplain Manager (CFM) exam will be proctored. The exam requires separate registration.

Key Concepts of the NFIP Class: Cleighton Smith is conducting a 1 ½ day class to present and discuss key concepts of floodplain management through FEMA's NFIP. This class will closely follow the document "FEMA-480, A Study Guide and Desk Reference for Local Officials." Registrants are recommended to obtain a copy prior to the class. It may be downloaded via the url http://www.floods.org/ace-files/documentlibrary/CFM-Exam/FEMA_480_Complete.pdf.

CFM Exam: Mr. Smith will proctor the CFM exam in the afternoon of the second day. To take the exam, **registration through ASFPM is required**. Note there is a **separate fee** payable to ASFPM for the exam. Register through this site: <http://www.floods.org/index.asp?menuid=405&firstlevelmenuid=180&siteid=1>. Do not assume the class is sufficient preparation for the exam.

CFM Program: The CFM program was established by the Association for State Floodplain Managers (ASFPM) to improve the knowledge and abilities of floodplain managers in the United States. More information on the CFM program can be found at www.floods.org, then click on "Certification Program".
