

Hands-on garden workshops and an informational sphere show offered at Nurture Nature Center

JUL 30, 2014 | 1:49 PM

Participate in two garden workshop opportunities and learn about the solar system at the Nurture Nature Center.

The following is a list of events as mentioned in the press release:

Garden Workshop Series: Rain Capture and Watering Systems – 6:30-8 p.m. July 31. Learn about what happens to storm water once it hits the ground and how to capture it in a rain barrel. Create and plant a self-watering pot. Cost: \$15. Registration required.

Solar Energy Science on a Sphere Show – 6:30-7:30 p.m. Aug. 7. Learn about solar power and how we can do it better.

Garden Workshop Series: Seed Saving – 4:30-6 p.m. Aug. 14. Learn about flowers and vegetables. Make a seed envelope and fill it with flower and vegetable seeds from the Recycle Garden. Cost: \$15. Registration required.

The Nurture Nature Center is at 518 Northampton St., Easton.

For more information or to register for one of the workshops, visit <http://www.nurturenaturecenter.org>.
