4. Question 4: On a scale of tiny to THE ENTIRE BOX: How worried are you about the environment on a regular basis?
- (leave blank) = I don't really worry about this!
  - (as tiny as you can draw) = I worry about this maybe once a month.
  - (medium-sized, about half of the size of the box) = I worry about this at least once per week!
  - (take up the whole box!) = I worry about this at least every other day! Aaaaaah!  
Let's figure this out now!
